THE EIGHTEENTH SUNDAY AFTER PENTECOST Weekly Bulletin #9
September 21, 1986 - - Green
Feast: St. Matth w, Apostle

"The guilt and punishment of original sin were not confined to Adam, but justly descended from him, as from their source and cause to all posterity. The human race, having fallen from its elevated dignity, no power of men or Angels could raise it from its fallen condition and replace it in its primitive state. To remedy the evil and repair the loss, it became necessary that the Son of God, Whose power is infinite, clothed in the weakness of Man's flesh, should remove the infinite weight of sin and reconcile Man to God in His blood."

Catechism of the Council of Trent

1. Sunday, October 26th. is the FEAST OF CHRIST THE KING. There is a very strong tentative possibility of a CELEBRATION at St. Francis Chapel on that day. Please keep your calendars open for that date.
2. Confessions are heard before each mass.
3. A kind and generous person (who wishes to remain anonymous) has hand-made several "chapel caps" (veils) for the Ladies of St. Francis. Please feel free to take one as your own. If you wish to make a small contribution to the chapel for one of these small veils, feel free to do that. Your help will be most appreciated.
4. Your prayers are requested for the welfare of Rex Fleming who is very sick. Rex is the brother of our Woody Fleming (St. Pius).
5. Your prayers are requested for the welfare of Father Paschal Ferlisi, O.S.B. who is very sick.
6. Our love for God should be so great that we would freely wish and desire never to offend Him in any way.
7. Truth is unchangeable. Truth is God. Therefore Man is free only in the presence of God = Truth. Man is free only when he is master of his own activities; when he is capable of choosing that good which is in conformity with right reason and therefore with his own human dignity. Freedom can never be explained without relation to the Truth - - as revealed by Jesus Christ and proposed by His Apostolic Church.
