Weekly Bulletin #14

The intrusion of the liberals and Modernists into positions of control has caused the widespread destruction of Catholic Faith, morals and worship and the creation of a new religion. It should be apparent to all that this new religion is not the Roman Catholic Religion because since its introduction into our Catholic institutions, these institutions (especially our Seminaries) no longer teach the Commandments of God, the Divinity of Christ, the Transubstantiation of the Holy Eucharist, etc. etc. Thus, those who promote the doctrines and reforms of the new conciliar religion do not represent the Roman Catholic Church, which is absolutely and exclusively identified with the Mystical Body of Christ and which is known by its FOUR MARKS: ONE - - HOLY - - CATHOLIC - - APOSTOLIC.

1. The gracious People of St. Pius V. Shrine, Lake Zurich, Illinois send their special greetings and prayers to all the People of our Alabama Traditional Chapels.
2. No doubt you have been witnessing the National News coverage of the U.S. Bishops' meeting in Washington. How wonderful that they have voted to support and uphold the pope of Rome. However, there are far too many bishops who have placed themselves against the very Church they are vowed to protect, preserve and obey. Their words are so transparently false, that one is moved to wonder about those bishops who argue against their Church: do they themselves truly believe what they say?
3. The Charity of all is requested for the welfare of Mrs. Charity Slaughter who is very sick. Mrs. Slaughter is the aunt of Mrs. Forney Roy (Our Lady of Lourdes).
4. It has been suggested that we include sections of the Baltimore Catechism in our weekly Bulletins. An excellent instructional idea for the good of the adults as well as the children. We shall begin next week.
