Weekly Bulletin # 37

May 31, 1987 - - - White

"Bad books will abound over the earth, and the spirits of darkness will everywhere spread universal relaxation in everything concerning God's service: they will have very great power over nature; there will be churches to serve these spirits. People will be transported from one place to another by these evil spirits, and even priests, because they will not have lived by the good spirit of the Gospel, which is a spirit of humility, charity and zeal for the glory of God. There will be extraordinary wonders every place because the true faith has been extinguished and false light illumines the world. Woe to the Princes of the Church who will be occupied only with piling up riches upon riches, with guarding their authority and lording with pride! My Son's Vicar will have much to suffer, because for a time the Church will be handed over to great persecutions; it will be the time of darkness; the Church will undergo a frightful crisis."
