Weekly Bulletin #46

Just as Mary and Joseph sought to protect their innocent SON from Herod, IN THE VERY SAME WAY are WE ALL BOUND to protect and honor the Holy Sacrifice of the Mass and the Most Blessed Sacrament. We are not free merely not to profane if ourselves, but we are DUTY-BOUND, if and when necessary, to "THROW OUR BODIES OVER IT," as it were. We are DUTY-BOUND to protect the Holy Sacrifice of the Mass and the Most Blessed Sacrament from the LEAST irreverence; we are DUTY-BOUND to show others by OUR EXAMPLE that we truly hold the Mass to be THE CENTRAL and FOCAL point in our lives; we are DUTY-BOUND to risk whatever consequences fall upon us as a result of our effort to protect the HOLINESS OF THE MASS!!! We should consider ourselves extremely blessed if we are called upon to do such a thing. There is simply NOTHING in all the world as holy and wonderful as the Mass. There is simply NOTHING in all the world as solemn and noble and majestic as the Mass. There is simply NOTHING in all the world as beautiful as the Mass!!!

- Monday, August 24th. is the FEast of St. Bartholomew; Saturday, August 29th. is the Feast of the Beheading of St. John the Baptist.
- Please Pray most earnestly that Pope John Paul II will soon grant us the LEGAL RIGHT to have the Latin Tridentine RITE. Even though the Latin Tridentine Rite is the official Rite of the Roman Church, in our troubled times we are forced to ask for the legal right to have and to hold the Tridentine Mass (WHICH IS ALREADY OURS BY RIGHT). The Tridentine Mass is ours by legal right simply because we are Baptized Members of the Apostolic Roman Church.
- Confessions are heard before every Mass on Sunday.
- In our times we cannot afford the luxury of being wrong! Therefore, each week certain points of instructions are placed in our Weekly Bulletins. Each one is asked to study these points of instruction with due care and meditation, so that proper answers can be given to those who might choose to challenge our position on true Catholic Dogmatic points of doctrine.
