THE TWELFTH SUNDAY AFTER PENTECOST

Weekly Bulletin #47

August 30, 1987 - - - Green

The August 25th., 1987 viewing of the N.B.C. documentary titled: "God is not Elected" was a mockery of the majesty of Almighty God and a manifestation of the sad condition of the present day so-called American Catholic Church. (1) The circus atmosphere in today's churches; (2) the belittling of the eternal law of God as presented by the person of the pope; (3) the laid-back and jolly behavior of leading members of the American hierarchy; (4) the total disregard of the sacredness of the Holy Mysteries of the Mass; (5) the general bad example and wrong teaching on the part of American clergy; (6) the absolute lack of any kind of prayer life in the seminaries and convents; (7) the vivid presence of worldliness and the complete absence of a spirit of contemplation and sacrifice in the seminaries and convents - - - all such as viewed in the documentary must surely present a picture that the average American Catholic should be justly proud of!!!

IS THIS WHAT OUR LORD AND SAVIOUR, JESUS CHRIST, HAD IN MIND ? ? ?

Why was the cause of TRADITIONALISM not so much as mentioned?

Every member is asked to write a letter of serious complaint to N.B.C. Write many letters and get friends and neighbors to do the same. The net-work is aware of the GENERAL discontent caused by this unfortunate program. Address letters to: N.B.C.
