

COPY OF THE MESSAGE: _____

In the Name of God the Father; nourished by the Blood of God the Son; and guided by the Light of God the Holy Ghost, we have come to this Holy Assembly with a determination to carry out the most Sacred, the most Holy Will of the Most Blessed Trinity.

Concerned, but undaunted, we freely and prayerfully accept the awesome challenge which is this day being placed in our willing but trembling hands. Without doubt this is a day which the Lord has made, and we are grateful for it. With a profound humility of soul we are grateful for it. Guided only by the Cross of Our Lord and Saviour Jesus Christ, we stand together, and we shall ever cherish these few precious moments that God has given us to be together.

We declare our total loyalty to the Most Holy Mass of the ages - the Mass of the Holy Council of Trent. We declare that our love for the Holy Mysteries of the Mass is in no way prompted by any selfish love for the beautiful and respect for ancient custom, but rather that it is governed by the Sacred Mystery of the Most Blessed Eucharist Itself, and the knowledge that the Mass is the most exalted, the most noble, the most holy, the most divine act that mere man is capable of performing - - an act where man, no longer offering the blood of bulls and goats, now offers the Blood of God to God! An act not only desired by God, but expected and demanded by Him as being the only means by which His wrath can be satisfied. God will be satisfied only by the Blood of His own and only Son. No other act of man, on this earth, has any real significance.

Therefore, we pledge our every thought, our every effort, indeed, our lives if need be, to protect and preserve the Most Sacred Mysteries of the Holy Sacrifice of the Mass. All things else being cast aside, for the moment, may our deliberations be kept good and holy by the warmth of the Blood of the Lamb, and may our single intention be that the Blood of the Lamb flows not only for us in our lifetime, but as well for our Children and our Children's Children.

The challenge of this moment is absolutely beyond our comprehension and its importance cannot be calculated by any instruments made by the hands of man. We accept this challenge, and we gladly pray to the God of all gods--with ONE VOICE we pray that He, the God of all gods wait no longer in His deliverance! May He wait no longer to hear the cry of our hearts! May He deliver us NOW from the jaws of the roaring beast!

Can anyone doubt that the tear-filled eyes of the suffering Christ are looking to each and every one of us of the same identity, and are seeking to find in each of us the comfort that only WE can give??

Whatever be the word of WELCOME AND INVITATION which we receive, it comes to us from the Sacred Heart of Jesus Christ, and we might well feel certain that this word has been brought to us by flights of Angels who have come and have placed it at the very portals of our hearts!!!

(Special Note to all the people of our Chapels: YOUR SPECIAL PRAYERS AND SACRIFICES ARE URGENTLY REQUESTED AS AN OFFERING TO GOD, BEGGING HIS PARTICULAR AND SPECIAL BLESSING ON THE COMING CONVENTION. THIS IS A MATTER OF THE GREATEST URGENCY!)
