FIRST SUNDAY OF LENT	Weekly Bulletin #66
February 21, 1988 - Purple	

We have reached a point in our Church where it is now a matter of the survival of the Catholic Church in the MINDS and hearts of men and women and CHILDREN. The soul of Western Civilization is Catholicism, but today that soul has been TORN out of the body -- out of education, out of politics, out of social morality -- and alas -- to a great extent, out of the Catholic Church, itself. CATHOLICISM HAS IN LARGE MEASURE BEEN REMOVED FROM THE CATHOLIC CHURCH. Consequently, sinful and insane acts pass as normal, even to who are considered to be strictly Catholic in their thinking; foolish suggestions are given ear, impure movies are allowed within our family circle holiness of life is looked upon as unnatural and abnormal, etc. The force of evil is everywhere - - within our hearts????? Divine intervention, alone, can overcome this flood wave of evil, but FAITHFUL PEOPLE must also do something to fight its horror. God will act. No one can doubt that. But He will act only after He can witness the sincerety and the trustworthiness of the people who look to Him for help. We must pray; we must fast; we must sacrifice, and we must have the courage to stand firm against the forces of EVIL!!!!
