Weekly Bulletin #73

If society is to be permeated by religion, there must be reservoirs of religion, like those great storage places up among the hills which feed the pipes by which water is carried to every home in the city. We shall need a special class of students of God, of men and women whose primary and absorbing interest is to work out the spiritual life in all its purity and integrity; to give themselves up to the pursuit of religion IN ITSELF AND BY ITSELF. We need men and women who are willing to walk away from the world, and all of the things of the world, and take on a life of sacrifice and penance, so that by example they might teach others the way to God. We need men and women who are proud to be God's men and women. We need men and women strong enough to devote themselves entirely to the purposes of God. These are the essential characteristics of monasteries and convents and monks and nuns: THIS IS THEIR MOST REAL CONTRIBUTION TO THE WELL-BEING OF THE CHURCH AND OF SOCIETY!!!

1. Do not forget EASTER DUTY - - which is CONFESSION AND HOLY COMMUNION.
2. Everyone's best prayers are requested for the success of the current FINANCIAL DRIVE which is being conducted by Christ the King Priory. The purpose of the drive is to raise sufficient money to start and finish the construction of the urgently needed monastery building.
3. Please pray for vocations to the Priory. That the vocations will be men truly dedicated to the love of God. It does seem that God is helping us in this regard, as several young men have requested to be allowed to join the priory. Praise God!!!
4. Confessions are heard before Mass On Sunday.
5. The Holy Rosary is recited before each Mass on Sundays. Please try to be on time for the beginning of the Rosary which is twenty minutes before Mass Time.
6. Belief in the true God and in our relation to Him turns us at once into prayerful children of God. Prayer becomes increasingly difficult in those of waning faith. The necessary marks of all prayer are humility, contrition and faith.
