TRINITY SUNDAY  
May 29, 1988 - - - White Weekly Bulletin #78

The Holy Virgin Mary is the Mother of God - our Mother - and She is the Mother of the Church. But She has been driven away from our hearts and minds, and in too many cases from our churches as well. She has been pushed out into back hallways or relegated to some flower garden. In the natural order, it would be quite difficult to conceive of one who would have the courage to take the only memento one has left of his mother - her photograph - and throw it out!! And yet, devotion to Our Blessed Mother and the prayer She most strongly asked of us - THE ROSARY - have been undermined. It is truly a scandal when those who are committed to the religious life - either by ordination or by vows - are the first to tell you that the Rosary is an outdated practice, a boring repetition of words - - and worse yet, - - that the Blessed Mother of Jesus Christ (our Mother) is not a virgin!?????!! IMAGINE - - WHAT SHAME!!!
