Weekly Bulletin #80

One of the most serious problems in the Church today is the decline of the authentic concept of 'obedience'. Many no longer look upon obedience as a Christian virtue, but rather a heritage of an authoritarian, dogmatic past, hence ONE TO BE OVERCOME. Disobedience is the rejection of the concept of an authority willed by God, an authority, therefore, that has its legitimation IN GOD and not in the consensus - VOTING POWER - of the majority of the member of an organization. The Church is not a party, nor an association, and neither is it a club. Her permanent structure is NOT DEMOCRATIC, but Sacramental, consequently hierarchical. Authority in the Church is not based on the majority of votes; it is based on the authority of Christ Himself, which He willed to pass on to men who were to be His representatives until His promised return.

1. May the special blessing of Almighty God be upon all the Fathers on this day - that they may have the Grace and the Courage to be STOUT HEARTED MEN.
2. Please pray for the successful establishment of the Latin Rite in the Church of Rome, and that it will be done in a spirit of peace, truth and love of Jesus Christ. There is much to indicate that this will eventually be accomplished. Do not be overwhelmed by the news reports of this day concerning the activities of the Vatican and the Society of St. Pius X. If you do not fully comprehend what is going on, do not try to enter into conversation with those who are unfriendly to the present possibilities. Do not be intimidated by anyone.
3. Please pray for good vocations to Christ the King Priory.
4. Please pray for the success of the Priory Fund Drive, and pray for the welfare of all of our many Benefactors.
