SUFFERING

The more you try to avoid suffering, the more you suffer, because smaller and more insignificant things begin to torture you, in proportion to your fear of being hurt. The one who does most to avoid suffering is in the end the one who suffers most: and his suffering comes to him from things so little and so trivial that one can say that it is no longer objective at all. It is his own existence, his own being, his own mind, that is at once the subject and the source of his pain, and his very existence and consciousness is his greatest torture.

NOTE WELL: Sunday July 3, 1988 is the First Sunday of July - - Therefore, there will be no 9:30 A.M. Mass at St. Pius Chapel, and no 12:30 P.M. Mass at St. Francis Chapel.

2. Confessions are heard before Mass on Sunday.

- Wednesday, June 29, 1988 is the Feast of St. Peter and St. Paul. These, especially St. Peter, are the very ROCK upon which the Church of Jesus Christ has been built. Please be reminded to pray well on that day to these Great Saints: pray for the welfare of the Holy Roman and Apostolic Church. All is not well in the Holy Church, and to say it any other way is simply not being truthful, and not helpful to the welfare of the Church. Only after the problem is acknowledged can a cure be administered. Be mindful of what you read, but read, and be instructed about the affairs of your Church. Perhaps the main reason why abuses of such magnitude found their way into the Church is that the people were not up on their reading.
- Friday, July 1, 1988, the Feast of the Most Precious Blood of Jesus is 4. the First Friday of July. Holy Hour at St. Francis Chapel from 7:00 P.M.-Please make the effort to attend.

Please pray for good vocations to Christ the King Priory. 5.

Please pray for the continued success of the Priory Fund Drive - and please pray for all those many good people who gave toward its success.
