(First Sunday of each + 12:30 P.M. - Mass + (Every Sunday EXCEPT + First Sunday of the + First Sunday of the + month) month) THE SIXTEENTH SUNDAY AFTER PENTECOST Weekly Bulletin #89 September 11, 1988 - - - Green God has planned each human life, and He alone is aware of the use to which each human life is to be put, in order that the usage of life may yield the full satisfaction of the human heart. God, alone, understands what must take place in us through life's process in order that we may shake ourselves free from the restlessness and misery of our discontent, and our sense of uselessness with which we are PERPETUALLY tortured. God is the ONE Who made man and God is the One Who gave LIFE to man, - - therefore it is ONLY He Who understands how man's life is to be lived. God knows to what plan life is to be made to conform in the exercise of its activity IF the happiness for which He has created us, is to result from our efforts. If man conforms his views to those of God and shapes his life to the DIVINE PLAN OF LIVING, happiness WILL issue from his life as its natural flowering. If we live our lives as God planned them to be lived (NOT as we plan to live them), we shall find happiness in so living, and in that way ALONE is happiness to be found!!!
