Abbot

STORM LAMP

Weather, in recent years, has been a source of concern to all. Destructive storms, severe winters, and severe summers have all been quite common. In faith, therefore, a LAMP was lighted in the Abbey Church which will henceforth burn continuously. We pray that the light of this lamp will be pleasing to God, and because of it, He will protect us from the fury of storm and severe weather. We ask this for the monks and nuns and our monastery and convent; for the members of our chapels and their families; for all our benefactors; for all those whose names appear on our mailing list and whom we consider as members of our Benedictine Family.
