

conductive to PRAYER and the SALVATION OF MEN'S SOULS. The directives of this ORDO do not work for the preservation of museum pieces, which mean nothing to the throngs who get all their answers from the Internet. This ORDO follows the traditional Benedictine-Roman Calendar.

Somehow, the Mysteries of our Most Holy Religion must be kept before the eyes of our ailing world; and somehow, the flickering Light of Faith - THE TRUE FAITH - must be kept burning (even though dimly) to illuminate the very DARK NIGHT that has closed in on the Heart of Man at the present time. This Monastery is completely devoted to - and it prays that it will always be completely devoted to - the DEEP FAITH that Jesus Christ spoke of: the Faith that can be found only in the interior Life of the Soul. May it please God that the effort of this humble and little work will be of some help to the members of our Communities as they labor up the very steep slopes of contemplation and the contemplative life. We plead with ALL THE MEN AND ALL THE WOMEN OF OUR DAY WHOSE WILL IS GOOD AND WHO HAVE THE GRACE OF GOD WORKING IN THEM, TO PUT ASIDE ALL THAT IS UNIMPORTANT AND DIVISIVE, AND TO PRAY MORE DILIGENTLY AND IN UNION WITH EACH OTHER FOR THE RETURN OF THE FAITH TO THE HEART OF MAN:

THAT IN ALL THINGS GOD MAY BE GLORIFIED. □
