# STORM LAMP

## FREEDOM FROM HARM LAMP

As you know, we have a perpetually burning lamp in our Abbey Church, and it burns in humble petition to God asking for His protection – for you and for us – from the ravages of storm.

We have now lighted a second perpetually burning lamp in our Abbey Church. This lamp is asking for God's blessing and His protection for you and for us from every form of danger that may be lurking around and about us due to chemical attack or any other form of war attack. Especially do both of these lamps ask God for His protection for our souls.

We pray that the light of these two lamps will always shine brightly all about you and those you love most. We pray that the warmth of this light will illuminate and keep God's special blessing in every part of your homes and the homes of those you love most.

**DON'T WORRY!  
DON'T BE AFRAID!**

Stay strong in your faith and  
in your hope and  
in your charity.

We are praying for you.  
In your charity,  
please pray for us.
