

After the admission of our vices comes prayer – not a book full of formulas (prayers) – but PRAYER! This prayer must be totally genuine; it must be totally sincere; it must be totally honest. The prayer we speak of here must NEVER be feigned or pretended, or the result of bluffing or play-acting. As stated above, the admission, and indeed the prayer, must be private. It must be personal; it must be spiritual! And the **ADMISSION – AND THE PRAYER – MUST BE SIGNED IN BLOOD, OUR BLOOD!** And the signed statement must be placed forthwith in the very hand of the Divine Son! ☐

With Care We Must Screen What We Read and Hear!

In our present age, when finger-tip information – information good, bad, or indifferent – is constantly crashing into the threshold of our minds, every care must be taken to screen what we read and hear.
