### **CONCERNING MASS INTENTIONS**

Once again, and with heavy hearts, we are absolutely bound to tell you that we simply cannot receive any more Mass intentions. Over the past several months we have LITERALLY been overwhelmed with Mass intentions. We have so many on hand that we simply cannot accept any more at the present time. As noted before, we do not send your Mass intentions away from our monastery – your Masses must be (and are) said at Christ the King Abbey with our Benedictine Priests saying them for you.

We are truly sorry that we cannot accept any more Masses at this time, but as soon as we begin to catch up with the Masses that must be said, you will most certainly be notified.

Please pray for vocations to the Holy Priesthood. With more Priests, as many Masses as you wish can be said.

GOD BLESS YOU FOR YOUR KINDNESS TO US – THANK YOU SO MUCH FOR ALL THE MASSES YOU HAVE EVER SENT US.

#### **A SERIOUS WARNING TO ALL**

Be very wary of unknown persons or institutions soliciting Mass intentions over the telephone or through the internet.
