If one thinks he can do without of God - he is making the mistake of his life. We were not made for health, fame, power, or wealth. We were made for God, and if we lose God we will have lost all, regardless of health, or fame, or power, or wealth.

## Easter Wish

The Monks of Christ the King Abbey and the Nuns of Saint Joseph's Monastery pray for you, and those you love most, for a blessed and glorious Easter Day!

May the Risen Christ protect and grant you, each and everyone, His choicest graces and blessings.

May you have peace of mind and serenity of soul as you walk in a church and in a world that is full of confusion and disorder.

God bless you!
