

# 1986 ~ 1994

During the hot summer Months of May and June of this year, the small and charming old St. Francis Chapel was carefully dismantled, piece by piece, by our monks and oblates. A very lovely chapel, it was given the reverence, dignity, and respect fitting for such a holy and blessed place. **It was a House of God!** Many important events took place within its walls. Every part of the chapel was either reused for other purposes or carefully buried.

**THAT IN ALL THINGS GOD MAY BE GLORIFIED.**
