

The ADVENT of the Divine Birth began when the Angel Gabriel came as an ambassador of God to a young girl named Mary. This is the most dramatic scene of all time! The Annunciation is the PIVOTAL POINT of the universe on which ALL things turn. All previous generations looked forward to it, just as all subsequent generations have looked back to it. The result of this convergence between Heaven and Earth had Angels “holding their breath” as they waited for the answer of an unknown young girl, whose answer would decide the fate of us all, whoever we might be, or wherever we might be, or whenever we might come to be.

Note well

New postal regulations have brought about the change in our way of mailing the Speculum to you.

Please list here your very special INTENTIONS for which you wish our prayers and good works (confidential information) and return to the Abbey BEFORE FEBRUARY 1, 2010. This paper will be kept on the High Altar next to the Tabernacle during Lent and Paschal Time. The Monks, in their daily prayer and work, will remember you and your dear loved ones - both living and departed.
