

— Special Note —

You will notice the absence of pictures in this issue of the SPECULUM BENEDICTINUM. The reason is so that a reproduction of the booklet "Perfect Contrition" by Father J. De Driesch might fit in a single issue of the SPECULUM. This has been accomplished, and now we sincerely urge you to read the contents of the little booklet very carefully and completely, and this more than once. The understanding of the teaching as found in this booklet is of the very essence. You will quickly discover the importance of this "tiny monument." When finished, duplicate it if you will and pass it on to friends and family.

May God Bless you. The salvation of your immortal soul has to be the top-most concern in your life. Say a prayer before you begin reading, and then TRUST the words here in printed:

J. DEDRIESCH
