

CONCERNING MASS INTENTIONS

VERY IMPORTANT NOTICE

Once before we had to make a statement concerning Mass Intentions. Regretfully, we must make the same statement once again. For the last two years, we have LITERALLY been flooded with Mass intentions. We have no choice but to place restrictions once again.

We are totally grateful to you for the intentions you have been sending, but now the book is full, and we ask you to please observe the following:

Henceforth, and until further notification:

- (1) Please do not send more than TWO Mass Intentions at any one time, and this only in a now and then basis. Please, not on a regular basis.
- (2) Please do not send any Gregorian Masses or Novenas of Masses.

Thank you, once again, for your kindness and for your understanding.

May God bless you and keep you.

The Monks of Christ the King Abbey

Never yield to despair!

As long as a breath of life remains, a man may have recourse to mercy and ask for pardon - and pardon will be given, provided the man, in his heart, be of honest disposition and good will.
