

Our hopes are that the Abbey Church will be completed by mid-Summer. Therefore, we are setting the date for the Dedication of the Church to be the Feast of Christ the King — October 30, 1994. Pray that all goes well for that Momentous Occasion.

We would be most grateful to you if you would send us the names and addresses of possible benefactors. Send, also, the names of persons who would like to receive this little booklet.

Many, many excellent books have been received in past days, so many, in fact, that the present space allotted for the library has become completely insufficient. We are most grateful for the books that have been given to us. In order to accommodate a large number of books we have provided spacious quarters, downstairs of the Abbey Church. We now have plenty of room for many years of growth. We would *welcome* your good books — proper — of course — for a monastery and seminary. We ask, however, that you do not send books of a secular nature. Please note the *shipping address* elsewhere on this page.

By the time you receive this booklet, the entire exterior of the Abbey Church will be completely bricked.

The High Altar of the church is under construction. Though it is simple, and rather austere, it is beginning to show

great beauty. We hope you will like it. The “Sensus Catholicus” is making its appearance everywhere in the church! May God be praised by our work!
